

Today is Constitution Day!

[By Duane Graham, EarthWalker News, September 17, 2011](#)

This document is the birthright of every American Citizen and has been touted as the greatest expression of freedom in the entire world.

Perhaps this is why we have been pinned into the “free speech zones” so we may express our “free speech” and “assemble” freely to “redress” our “grievances”, just as it states in the First Amendment of the Bill of Rights.

Amendment I

Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to petition the Government for a redress of grievances.

Our right to defend ourselves has been legislated to protect the criminals and the “state” demonizes those who would exercise their right to bear Arms by making the people pay for permits to carry a weapon... even though most States have an “Open Carry” Amendment in their State Constitution. Drug cartels and the ATF are watching over our interests, aren't they?

Amendment II

A well regulated Militia, being necessary to the security of a free State, the right of the people to keep and bear Arms, shall not be infringed.

Not to worry, most of the National Guard is out of the country and our regular Armed Forces are deployed in so many “wars” or “Kinetic Actions” that the only ones left to defend us are the unarmed citizens in New York City, Chicago.....

Amendment III

No Soldier shall, in time of peace be quartered in any house, without the consent of the Owner, nor in time of war, but in a manner to be prescribed by law.

The Patriot Act has nullified this one.... Let me see your papers!

Amendment IV

The right of the people to be secure in their persons, houses, papers, and effects, against unreasonable searches and seizures, shall not be violated, and no Warrants shall issue, but upon probable cause, supported by Oath or affirmation, and particularly describing the place to be searched, and the persons or things to be seized.

Can you say.... Rendition and Patriot Act? The Mainstream Media tries and convicts people long before a court gets a chance..... or you have more money than the average unemployed citizen. Corporate controlled media dictates the outcome You are programmed to accept the verdict no matter how insane it may be.

Amendment V

No person shall be held to answer for a capital, or otherwise infamous crime, unless on a presentment or indictment of a Grand Jury, except in cases arising in the land or naval forces, or in the Militia, when in actual service in time of War or public danger; nor shall any person be subject for the same offence to be twice put in jeopardy of life or limb; nor shall be compelled in any criminal case to be a witness against himself, nor be deprived of life, liberty, or property, without due process of law; nor shall private property be taken for public use, without just compensation.

The Court System is a huge “Profit Center” local, state and federal government.... Need I say more?

Amendment VI

In all criminal prosecutions, the accused shall enjoy the right to a speedy and public trial, by an impartial jury of the State and district wherein the crime shall have been committed, which

district shall have been previously ascertained by law, and to be informed of the nature and cause of the accusation; to be confronted with the witnesses against him; to have compulsory process for obtaining witnesses in his favor, and to have the Assistance of Counsel for his defence.

No One Is Listening.....

Amendment VII

In Suits at common law, where the value in controversy shall exceed twenty dollars, the right of trial by jury shall be preserved, and no fact tried by a jury, shall be otherwise re-examined in any Court of the United States, than according to the rules of the common law.

No One Cares.....

Amendment VIII

Excessive bail shall not be required, nor excessive fines imposed, nor cruel and unusual punishments inflicted.

Fill out the unconstitutional survey

Amendment IX

The enumeration in the Constitution, of certain rights, shall not be construed to deny or disparage others retained by the people.

The People? The mindless drones who are herded like sheep and cattle, saying I am free because I live in the best country in the world” as they dutifully walk to slaughter in the government meatpacking plant of perfectly packaged crimes against humanity... in the name of God, Country and oh yes, Commerce!

Amendment X

The powers not delegated to the United States by the Constitution, nor prohibited by it to the States, are reserved to the States respectively, or to the people

Happy Constitution Day Everyone.... Make all of those who died for you proud by staying asleep and ungrateful.
