

Yesterday I Met Man Who Loved Music

Yesterday I met man who loved music. He listened and enjoyed the music, smiling and expressing his appreciation to the musicians and happy to be in that familiar space of cool and secure peace. He was asked to sit in but he politely passed and expressed his appreciation. He said that he once owned a guitar that was signed by Paul McCartney and because of recent hard times the guitar was lost. He was encouraged to keep playing and that he could perhaps buy another great instrument when he replied, "I live under a bridge".

This man is a Veteran. He is homeless. There is NO reason why this valued military veteran should be there... but he is.... You ALL Should be sickened and ASHAMED that any Veteran is homeless. This man, along with countless other AMERICAN VETERANS, put his life on the line for YOU, for over ten years.... and NOW HE LIVES UNDER A BRIDGE! THIS SHALL NOT STAND and YOU MUST DO THE RIGHT THING.... IT IS YOUR RESPONSIBILITY... CONTACT YOUR CONGRESSMAN TO CLEAN THIS UP.

IT IS YOUR DUTY AS AN AMERICAN CITIZEN TO MAKE SURE THAT VETERANS ARE NOT HOMELESS.... THEY HAVE GIVEN E V E R Y T H I N G FOR YOU AND YOU do nothing..... NOTHING!

Get off your LAZY ASS AND FIX THIS PEOPLE! Yes, YOU!!!! ... Oh, this makes you angry? Were you in the battles in Iraq? Were you the one who fought in the jungles of Vietnam? Did you fight in Korea? You Ungrateful SOBs You do not deserve to call yourselves citizens if you allow this to continue.

If this makes you angry... how do you think it makes these homeless Veterans feel when they offered their life for a country they loved so much and now you cast them aside like trash, non-persons who no longer exist. How do You think they feel when everything they had is gone an now they sleep under a bridge?

They love this country more than you will ever know and they even love you. They "know" You are self-centered, unconscious and caught up in your television programs, video games and sports. And... They still love you... I guess it is because, they are better human beings than you.

This is not a request people, I am not asking you, but I AM TELLING YOU.... Call your Congressmen! Donate to YOUR LOCAL VETERANS ADMINISTRATION TO HELP THESE HOMELESS VETERANS LIVE IN AN APARTMENT OR HOUSE.... FOR GOD SAKE DO SOMETHING! GET THEM MEDICAL CARE,

FOOD, CLOTHES AND HELP THEM LIVE AS WELL AS YOU DO. THEY DESERVE IT MORE THAN YOU DO. THESE VETERANS HAVE EARNED THE RIGHT TO LIVE WELL AND MOST OF YOU DID NOT.

YOU ACTUALLY DO... OWE THEM ... FOR EVERY "THING" YOU HAVE.

Isn't time that you reconnected to the music in side of you...?
